

Online Donation Process

From time to time we receive feedback from parishioners to provide an **online process** for making weekly offering donations to Our Lady of Lourdes Church. We are pleased to announce that we will be launching a program of this nature within the next few weeks.

You may know this type of program as EFT (Electronic Funds Transfer) or ACH (Automatic Clearing House).

Benefits for parishioners include:

- You may already pay your bills with an on line process. Online weekly offerings will fit right in with that process
- Control over your donations so as to enhance your budgeting process
 - You determine the amount and the frequency that works best for your situation
- Eliminate home storage of envelopes waiting for use on Sunday Morning
- Eliminates the possibility of forgetting to bring your envelope with you one week and having to bring it the next Sunday or drop it off at the POC later in the week.
- Easier to stay current on your weekly offering even when you are out of town or on vacation

Note: OLL will continue to track your offerings and report them to you once per year for tax deduction purposes.

If you are interested in participating in this automatic, electronic process for making your donations, please fill out the form below and return it to us as soon as possible. For questions contact Mary James or Jim Frede at 922 0715.
